A sly book is formed from an engaging and personal presentation: a veritable Wanderer's Manifesto. The dialogue option "Bannon claims to have founded the city" is required for him to give proof directly. After entering the above command into the console, talking to Moira should make it so that she doesn't ask about Rivet city again and she will ask about the Moira quest that is currently active. If the player character is already injured, then they can go to Moira and are still given credit for receiving an injury. Even if the Lone Wanderer informs her about Rivet City's history a second time, they are left with only one speech option which is to "Take a break" from the research. Resultant special encounter After completion of this quest, the Lone Wanderer may randomly encounter a wastelander who has read the book. Then a guard robot jumped out of a cake." nothing yes standard "I found raiders and a robot. Survival Guru: One will find a well-equipped wastelander finishing off a wounded mirelurk, radscorpion or a raider. " nothing negative sly "Like a charm. The actual description depends on any optional objectives completed as well as the end of objective responses given. It was crawling with raiders." nothing No sly "Those big, shadowy stores can be great for hiding out." Agi 7 No smart "The raiders were using the pharmacy as a place to store their best gear." Int 7 yes snide "I had a fun party with some raiders. [verified] PC It is possible to create a bug after completed it earlier and returning from one of the other Moira quests e.g. Arlington Library. Frag grenades vs Level Level 1 4 7 10 13 17 20 Frag grenades 3 4 5 6 7 8 9 After completing the quest and optional objective, the player character can choose special conversation paths with an Endurance, Perception or Agility attribute of seven or higher. Moira wants the Lone Wanderer to look for food and possibly medicine at the nearby Super-Duper Mart. The place is a death trap." Cha 7 no snide "I may have been able to recover more, but it said to be quiet, so screw that." nothing no standard "I went to the site of the library, but the building was destroyed. For mole rats... Just like people." Cha 7 no snide "I didn't even need that tele-thingy unit. I get better. " nothing yes standard "They're definitely vicious and highly territorial." nothing yes tough "They don't seem to fight each other. The reward for this guest is some doses of Jet and Psycho. (Optional)98Return to Moira. Also, any mirelurks killed by followers will not fail the optional objective. They seem reasonable enough." nothing yes standard "It began as a successful science station, and traders settled in around it." nothing yes tough "They cleared out the mirelurks. She would also like for them to retrieve a mine if they are able to do so. Note that simply disarming one and then going to talk to Moira will not give one credit for the optional objective. With Speech skill. Chapter 1 Chapter 1 focuses on the basics: finding food and medicine, dealing with radiation, and dealing with pain. Moira will mark it on the player character's map. One hit causes a delay of a few seconds, while two hits kill them instantly. Mentats vs Level Level 1 4 8 12 16 Mentats 2 3 4 5 6 After completing the quest and optional objective, the player character can get special conversation paths if their Strength, Intelligence or Charisma is seven or better. Moira would like to know the history of Rivet City, preferably as accurately as possible. They can also, as a joke, tell Moira that Rivet City was originally an underwater city. If one says yes, the wastelander will give a word of thanks, plus a sum of 10-25 caps, depending on one's Barter skill. Other high radiation areas include the White House, the surface entrance of Vault 87, Nuka-Cola plant, the crashed Delta IX rocket near the Statesman Hotel, and the Wheaton armory interior. "Speech negative smart "It appears that mole rats have a most fatal allergy to it. Belle Bonny in The Muddy Rudder bar will point the Lone Wanderer to his home in the broken bow of the ship. To complete this quest, the Lone Wanderer must travel to the RobCo facility and install the processor widget in the mainframe. Then science folks and the rest moved in. "Str 7 yes sly "It had success as a science station, and people flock to success." Cha 7 yes RobCo Production Facility Mainframe Main Objective: Install the processor widget in the RobCo production facility mainframe. There are no conversation paths for high Endurance, Perception or Agility. Should Moira die, a message will appear mentioning this and that her book will never be written, while also failing this quest. To complete the optional objective, a Science skill of at least 50 is required to hack the mainframe. They will survive and ask if the player character is the author. The Brotherhood of Steel is guarding the library, so one will have to be nice to Scribe Yearling in order to be let through, alternatively one can just sneak past her. Stealth Boys vs Level Level 1 4 8 12 16 Stealth Boys 2 3 4 5 6 After completing the quest, the Lone Wanderer can get special conversation paths if their Strength, Intelligence or Charisma is seven or better. Inside, at the front of the mart, opening the refrigerator will fulfill the first part of the quest. Doing this rewards negative Karma and permanently dampens the mood of the cheerful Moira. A smart book presents an intelligent and thorough treatment of the subject. The effects of this style increase Sneak and Speech skill levels. Upon entering from the underwater door and surfacing, one will encounter two mirelurks (type depends on level) that reside in the shallow area. But not tough enough." Str 7 no sly "They're savages with big claws and absolutely no interest in small talk." Cha 7 no snide "What's to say? Moira will direct the player character to the Tepid Sewers, located near the Anchorage Memorial, which will have enough mole rats for both objectives (though finding enough for the optional objective in this location alone will involve getting around raiders, a turret, some explosive gases, and maybe a few frag mines), but any mole rats, which are plentiful throughout the wastes, count toward completion of the books are all ruined." Per 7 no tough "Most of the books would make better burning than reading." End 7 no sly "Oh, it's still there, but it's full of raiders. Bottle caps vs Level Level 1 5 8 10 15 16 Bottle caps 50 75 200 250 300 450 After completing the quest and optional objective, one can get special conversation paths if their Endurance, Intelligence or Agility is 7 or better. I only wish it were always that easy to manipulate people." Cha 7 yes smart "Even after reprogramming, the robots were of questionable value as allies." Int 7 yes snide "It was robotic carnage. Note that when the quest objective is first started, the optional objective does not appear. If one replies yes, they will give a word of thanks. The mole rats all died." nothing no smart "You added too much chemical stimulant. If they are between levels 12 and 15, they will have a chance of receiving various quantities of any of the small arms bullet types. Towards the back of Megaton, several (anywhere from three to five) will spawn. To get to Pinkerton, one has to exit Rivet City and travel a short distance south to the other, "uninhabited" half of the ship, where there is a walkway leading to a door. You got to be hard." End 7 no sly "I've got the grace of a cat. Possible replies type answer require bonus standard "They're pretty much crab-based humanoids." nothing no smart "Their lairs are partially aquatic, so the radiation must not bother them." Per 7 no tough "Between shells and scales, they're pretty tough. After this, the player can venture further inside to finish the optional objective. Possible replies type answer require bonus smart "I encountered some raiders, but they were easily outsmarted." Int 7 No tough "I got the food and dealt with those pansy raiders. If minimal research is done on the book, Three Dog will announce to "Steer clear of the book" and say that the "research methods suck," claiming it "will get you killed guicker than you can say 'Hug a deathclaw.'" But if one does well, he will call it "a must-have while exploring." Alternative solution Instead of completing the chapters of the book, the Lone Wanderer can talk Moira out of writing the book at all. RadAway vs Level 1 4 8 12 16 RadAway 1 2 3 4 5 Rad-X vs Level Level 1 4 8 12 16 Rad-X 3 4 5 6 7 After completing the quest and optional objective, the Lone Wanderer can get special conversation paths if their Endurance, Perception or Charisma is 7 or better. Boo." nothing "I got through Minefield alive, and I even brought you a present." nothing no smart "Watch the details and look for broken patterns. A tough book focuses on personal reliance and determination. The player character is given the option of talking to him about the history of Rivet City, tired... If the player character chooses not to make a foreword for the Wasteland Survival Guide while wearing a Vault 101-oriented jumpsuit, security armor or utility jumpsuit, Moira's dialogue changes by adding a part telling the Lone Wanderer that they might "want to stop wearing a suit with their number written across their back." Should the Lone Wanderer have the perk "Rad Regeneration" and have more than 400 Rads it will make the completion of the "crippled body part" portion of the "injuries equalling more than 50% of your health" section difficult. They may also receive information about Pinkerton by talking to Vera Weatherly, who mentions that Seagrave Holmes has lived in the city since he was a boy. Moira is not happy when she finds out. If the Lone Wanderer chooses to blow up Megaton, Moira Brown survives the explosion but ends up ghoulified. When they are done, they will ask the player character if they wrote the book. The intercom will transmit their voices as a warning. The player character if they wrote the book. The intercom will transmit their voices as a warning. stats at 7 or higher, the more dialogue options. To make a tough reply, Strength or Endurance (the specific stat differs for each segment) must be at least 7. Using a Buffout before speaking to Moira will allow for one to select the "tough" option, provided their base Endurance is seven or greater, as it counteracts the -3 Endurance penalty from the radiation poisoning. Possible replies type answer require bonus standard "Yeah, it's still there. Possible replies type answer require bonus standard "According to them, it was all set up by one upper deck resident." nothing no smart "There's simply too many stories, and not enough evidence to support any of them." Per 7 no tough "Those tough upper deck folk built the whole place from the ground up!" Str 7 no sly "None of them agree on a story. Another is just behind Springvale Elementary, where there is a fenced-in dump containing radioactive barrels. Alternatively, if one has the Robotics Expert perk, they can tell Moira about the technology in question, completing the quest and the optional objective immediately; however, this will only work if the perk was already obtained when starting the quest. Almost every citizen of Rivet City is unfamiliar with its history. If the optional objective is complete, Moira remarks that the player character now has a "teeny, tiny, um, mutation" after curing them, which manifests in the form of the Rad Regeneration perk. Any injuries, self-inflicted or otherwise, count toward completing the quest. Moira wants the player character to gather data on mirelurk behavior by placing an observer inside the mirelurk nest at the Anchorage Memorial, specifically inside an egg clutch. As frag mines are quite prevalent in the game, it is possible to lie to Moira about visiting Minefield and still complete the optional objective to complete the guest. Instead, it causes their heads to explode. For more information, see the Super-Duper Mart page. This was a cut part of the Survival Guide guest involving going to Hubris Comics and doing this task. Jet & Psycho vs Level Level 1 4 8 12 16 Jet & Psycho 1 2 3 4 5 After completing the quest and optional objective, the player character can get special conversation paths if their Endurance, Intelligence or Charisma is seven or better. Minefield is far northeast of Megaton, it is also home to the sniper, Arkansas, who adds to the challenge of this quest by shooting at the player character and surrounding cars. Optional Objective: Find medicine in the Super-Duper Mart. Bugs Xbox 360 Sometimes, when choosing the options when talking to her (Tough, Smart, etc.,), the Lone Wanderer will not receive the option for the one the Lone Wanderer will not receive the option for the one the Lone Wanderer will not receive the option for th But who's counting?" End 7 yes sly "It's very hard to talk my way past that many people shooting at me..." Cha 7 yes Contract 200 Rads Moira wants the Lone Wanderer to contract radiation sickness in order to study the effects of radiation poisoning on a person, as well as to test her radiation sickness remedy on the player character. Possible replies type answer require bonus standard "I don't think it works like you hoped. Iguana bits vs Level Level 1 4 7 10 13 17 20 Iguana bits vs Level 1 4 7 10 13 17 20 Iguana bits vs Level 1 4 7 10 13 17 20 Iguana bits vs Level 1 4 7 10 13 17 20 Iguana bits vs Level 1 4 7 10 13 17 20 Iguana bits vs Le Endurance, Intelligence or Charisma is above 7; Strength, Agility or Intelligence or Agility. However, he will permit access his terminal, which will contain information to complete the optional part of the quest. All non-unique item rewards are given in a quantity proportionate to the Lone Wanderer's level, meaning the player character will receive more of some items at higher levels. Retrieving the card catalog is enough, but also finding the library archive tape would be a bonus. They're delicious and nutritious." nothing no smart "They descended from local crabs. Moira wants the player character to reach the playground in the center of Minefield, which is appropriately named, as the streets have many frag mines planted on them. Let's go with it..." nothing no nothing "Rivet City is actually the remains of an ancient, underwater civilization. No landmine's going to stop me." Agi 7 no snide "Yes, I blew up and died. [verified] Note that the player character is suffering the effects of Critical Radiation Poisoning (-1 STR, -3 END, -2 AGL), which may affect their ability to choose the Endurance option. Upon speaking to any citizen about the history of Rivet City, the main objective will complete and the optional objective will appear. The second ("Total Liquidation"), active at the start, makes them hostile to the Lone Wanderer and anyone friendly towards them. To make a sly reply, Charisma or Agility (the specific stat differs for each segment) must be at least 7. If the player character has already visited Minefield and gone through the entire town, then they are given the option to tell Moira that they have already been there. She will then talk about how it might have been part of Atlantis. Unlike most other optional objectives, this optional objective will be completed only upon talking to Moira, and telling her that the mirelurks are "none the wiser." For completing the quest, Moira will give the player character some Stealth Boys, depending on their level. If the wastelander survives, they will give the player character the book and tell them that it is "good for a laugh." Survival Expert: One will find a wastelander sighting a mole rat. 200 rads are considered the minimum, while 600 is necessary for the optional objective. Raiders and radroaches are plentiful, but two Brotherhood of Steel soldiers will help in cleaning up the enemies. This happens if the Lone Wanderer returns to Pinkerton, and his computer, for the quest The Replicated Man. Talking to him will tell the player character that Pinkerton may have been an explosion or two. It's much shorter and results in less radiation exposure. The security officers also make thinly veiled references to his location while dismissing him as dead. Then the robots woke up. The standard or snide responses are available by default. That's where the traps are. "Per 7 yes snide "Oh, disarming it's real easy. If one is having trouble finding mole rats in any of these areas, Jury St. station is full of mole rats, and at the end of the train tracks there are two doors on either wall that lead into the Jury St. tunnels, granting access to the mole rats. (Optional)26 Return to Moira. Notes If the player character has negative Karma, there will be an extra speech option when asking Moira about the book at the beginning. Ideally, she would also like to examine how robots are controlled. And no, I didn't." Int 7 no tough "I get blown up a lot. The first protocol ("Pest Extermination") makes the robots hostile to the radroaches and mole rats. Possible replies type answer require bonus sly "I like to think of it as adding to my glowing personality." Cha 7 no smart "The headaches certainly make it hard to focus properly." Int 7 no standard "Itchiness, sores, and so forth. Moira will give the player character some Rad-X and RadAway, and she will also start selling them. Optional Objective: Retrieve and return a frag mine to Moira. Moira will reward the Lone Wanderer with some pulse grenades once the guest is completed, and a Big Book of Science if the optional objective is completed. At the end of the quest, Moira will reward the player character with some Mentats, as well as a permanent 10% discount with Rivet City's merchants (if they achieved the optional conditions). Unlike in other parts of the quest, this optional objective does not show up in the Pip-Boy after talking to Moira. Possible replies type answer require bonus standard "It feels like a dozen super mutants did a dance on my spine in steel boots." nothing no sly "Pardon me if I bleed profusely so." Int 7 yes snide "It's like explosive whack-a-mole rat. Completing The Replicated Man will sometimes not allow the Lone Wanderer to complete "research Rivet City's history" with a dialogue option even if the player character read the relevant entry in Pinkerton's terminal. For people?" nothing yes standard "Sorry, Moira, but your 'Repellent' is fatal to mole rats." nothing yes tough "It gives them quite a kick, like too much jet or something." End 7 yes sly "I don't believe this is as non-lethal as you had expected. Including landmines." Agi 7 yes Complete Wasteland Survival Guide Bronze 20 Wasteland Survival Guide is a multi-part quest in Fallout 3. Three is enough to finish the quest, while ten is preferred for a more thorough test of the repellent. A good way to complete this quest, including the option, is to walk outside of Craterside Supply and simply jump over the railing onto the ground below, behind the atomic bomb. To put it lightly." Cha 7 yes Place an observer unit inside a mirelurk nest Main Objective: Place an observer unit (provided by Moira) inside a mirelurk egg clutch in the Anchorage Memorial. Possible replies type answer require bonus standard "It was easy enough to attach the unit. If the player character already visited the Super-Duper Mart and picked up food and medicine there prior to initiating the Wasteland Survival Guide quest with Moira, when they speak to her, they will instead recount their experiences, which effectively completes this portion of Chapter 1 without having to do it again. The terminal used to download the archives can be found on the third floor of the Library Media Archive, in a room just off of a short hallway which can be accessed from the room containing a ceiling turret. Optional Objective: Retrieve complete Library Archive. This optional objective only applies to mirelurks killed during the quest, and only those inside the memorial itself. Avoiding the Rivet City history download a second time solves this; however, if one is stuck with Moira asking the Lone Wanderer about Rivet City despite having completed that quest, simply go into the console and enter set "00014e96".ms03c1 to 4 (include the quotes). Quest stages StageStatusDescription 2 Ask Moira Brown about her book. Help Moira with Chapter 1.10 Find Food in the Super-Duper Mart. He claims that he helped found the city. However, the player character does not get the optional objective perk this way. This branch of the quest is most likely non-canon, due to the presence of the survival guide in Fallout. New Vegas and Fallout 4. The closest option is the nuclear bomb right in the middle of town. So does the fear of death. Hardly the worst scrape I've been in." End 7 no snide "On a scale of one to ten, I'd say it's a "shut the fuck up and fix me." nothing no smart "Why get myself hurt? This qualifies as a "smart" response that may have an effect on the perk received upon completion of the quest. The player character's dialogue options affect both the style of the book and the specific rewards at the end of the quest and optional objective, the player character gets special conversation paths if their Endurance, Intelligence or Charisma is seven or better. The effects of this style increase Science and Medicine skill levels. Oh, and a sniper. If they completed the optional objective, they will also receive the shady hat. The closest location with mole rats is actually just outside Megaton. You know how valuable that is, right?" Int 7 yes snide "The librarian's on duty. There's a lot of both." nothing properly sums up this pain." Cha 7 yes Completion Once all three quests are completed, the Lone Wanderer is awarded 100 XP and some ammunition, the exact quantities depending on Luck. Moira will reward the Lone Wanderer with some stimpaks and 100 experience points for finishing the first chapter of The Wasteland Survival Guide. Fact-checking this information requires meeting with Pinkerton. (Optional)16 Return to Moira.20 Contract radiation sickness (200

rads).24 Contract more severe radiation sickness (600 rads). Copies of the book are found in Fallout 3. (Optional)88 Return to Moira.90 Access the card catalog in the Arlington Public Library.94 contract more severe radiation sickness (600 rads). Retrieve complete library archives. Pulse grenades vs Level Level 1 4 8 12 16 Pulse grenades 2 3 4 5 6 After completing the quest and optional objective, one can get special conversation paths if their Strength, Intelligence or Charisma is 7 or better. At its best, Moira lists the player character as the main author. They couldn't stop me." Str 7 No snide "That place was a death trap. Moira wants to see the Lone Wanderer when they are badly injured, so she can see how people deal with various injuries. Talking to her again doesn't do anything as she simply asks about Rivet City's history again, and the Lone Wanderer can tell her about it again. I don't think there's any sort of 'society' there." Cha 7 yes Return to Moira with injuries equaling more than 50% of your health "I'm going to hate myself for this, but what do you mean about handling injury?" — Lone Wanderer Main Objective: Return to Moira with less than 50% total health. After the mission is completed, the Lone Wanderer's rad count is reduced to 0. Research Rivet City's history Main Objective: Find out the history about Rivet City. (Optional) Return to Moira. 80 Install the Processor Widget in the RobCo Production Facility mainframe. 84 Reprogram the RobCo Production Facility mainframe. 84 Reprogram the RobCo Production Facility mainframe. Find out Rivet City's true history. Once unlocked, the mainframe provides three toggle options to control the robots. Reloading a save from from before entering the factory seems to fix this. [verified] PC Playstation 3 Xbox 360 Sometimes, when attempting to install the processor widget, the Lone Wanderer will not get the option to do so. Upon reaching the mainframe and installing the widget, every robot in the facility will activate and become hostile. It's hardly pleasant." Int 7 no tough "What, these little scratches? The perk will vary depending on conversation choices with Moira. Finally, the third protocol ("Stress Testing") makes them hostile to each other. She would prefer that one has at least one crippled limb before returning. The corridor to the lab is filled with flammable gas and several booby traps set by Pinkerton. There are no conversation paths for high Strength, Perception or Agility. The effects of this style increase Damage Resistance. I'd have brought you a present, but I forgot my card." nothing yes standard "The archive was probably the most useful information in there." nothing yes tough "Now you can protect and catalog all of the information it once had." End 7 yes Final reward Completing the third chapter is considered the completion of the entire guest. One will not be held responsible for killing any mirelurks anywhere else, nor will it matter if any are killed inside the memorial before starting the mission. But I got in and out as quick as I could." Agi 7 yes smart "This is an entire library's archives. Possible replies type answer require bonus standard "No, but it was a close call. The quickest way to fulfill the radiation requirements is to drink from the radioactive water surrounding the atomic bomb. If not, Moira will take it back and it can then be purchased from her or stolen from her hard-locked desk upstairs. See the perk page for more details. As a reward, the Lone Wanderer will get the Dream Crusher perk, a variable amount of reward XP whichever course the player chooses), 30% lower prices at the Craterside Supply, and Moira's Repair skill will increase to 54 (+5 from her jumpsuit) from the standard 24. Should the player character be irradiated above 600 rads when asking about "contracting radiation sickness," they are able to complete this part of the quest with a dialogue option then and there and still get credit for the optional objective. This can be fixed by reloading a save and trying again before talking to her. Each portion of the chapter can be done in any order. Test the mole rats Main Objective: Test the mole rats main Objective: Test the mole rats main objective and trying again before talking to her. RobCo factory. Quick walkthrough Detailed walkthrough Moira Brown, the owner of Craterside Supply in Megaton, wants someone to do some dangerous research for a book she is writing entitled The Wasteland Survival Guide. There are any number of highly irradiated areas that will easily fulfill the objective. Three of the objectives can be completed without being on that stage of the guest: Visiting the Super-Duper Mart and opening the fridge, then the Pharmacy Supplies will allow for the Lone Wanderer to complete this part of the guest with a dialogue option while still getting credit for the optional objective. As Moira puts it, "just lots and lots of ammunition." Ammunition vs Level Level 1 4 8 12 16 Ammunition 10mm .32 5.56 Various 5mm Rough Qty 40+ 20+ 70+ Varies 320+ Chapter 3 revolves around how towns and cities came to be after the Great War and no-nonsense book, and the player character endures a lot of pain to get through alive. Radiation sickness is for the weak." End 7 no smart "Fear not! With my vast scientific knowledge, I explain this one myself." Science yes snide "Why don't you drink a tall glass of wastewater and find out for yourself?" nothing no Standard "Just do your examination and fix me up please." nothing yes smart "If I listen closely, I can hear my genes crying." Per 7 yes snide "I feel about as bad as you look." Ghoul Moira yes tough "Those raiders must've shot me twenty times. If the Minefield was already visited before doing this task, one can inform Moira of this, but will not be able to complete the optional objective. The mainframe took care of the rest." nothing no smart "Installation was much easier than reaching the mainframe in the first place." Int 7 no tough "The unit went in the computer. (Optional)76 Uncover Rivet City's true history. There are no conversation paths for high Strength, Perception or Charisma. not so much." Cha 7 no snide "It repelled their limbs from their body. "Speech negative smart "It began as a research station, which is why it's still a scientific haven." Int 7 yes snide "Some old coot says he took these notes. (Optional)66 Return to Moira with your injuries.68 Help Moira with the last chapter.70 Learn the history of Rivet City.74 Check other sources to confirm Rivet City's History. To make a smart reply, Intelligence or Perception (the specific stat differs for each segment) must be at least 7. The effects of this style increase overall HP, likely from taking so much punishment. (Optional)46 Return to Moira.50 Place the Observer in a spawning pod in the Anchorage War Memorial. 54 Do not kill any Mirelurks in the Anchorage War Memorial. You go first." nothing yes standard "That whole place is a deathtrap." nothing yes standard "That whole town is a trap. Moira will pay bottlecaps for completing the quest and will give a copy of Lying, Congressional Style if the optional objective is completed. Alternatively, with having a high enough Science skill (at least 50), they will be given the option of simply explaining the effects of radiation poisoning. Optional Objective: Test the repellent on seven more mole rats (10 total with the first 3). I'd call them 'Scylla Serrata Horrendus.'" Int 7 yes snide "They've got a little, bubbling castle and they spend all day circling it. Or, if enough time passes, she will eventually move on her own. The terminal at the front desk has the card catalog holotape; Yearling will give a key if asked; otherwise, it must be hacked. There are no conversation paths for high Strength, Intelligence or Charisma. Optional Objective: Complete the main objective without killing a mirelurk. The mart is filled with raiders. Now I'm haunting you because of that stupid book. At the end of the corridor will be a locked door, which will display the message: "This door is activated elsewhere." The terminal is in fact a trap, and the switch operating the door is on the opposite wall. In order to get the optional objective, you have to reach the archive terminal. (Optional)36 Return to Moira.38 Help Moira with Chapter 2.40 Test the repellent on three Mole Rats. to be... One then receives Mentats and bad Karma but not the 10% discount. The reward for the quest is some doses of Med-X, and the environment suit if the optional objective is completed. At the end of the quest, one can snidely remark that Moira likely wants them to go print and distribute the guide, but she reassures them that it is not necessary. The player character can return to Moira at this point for normal completion, or fact-check this story for optional completion. This will result in loosing health and may also cause a broken leg. It is a Very Hard lock (level 100 Lockpick), and if the Lone Wanderer is unable to pick it, they must jump into the water to the left of the door and swim to the broken middle of the ship, where they will find a door underwater. Also note that the "snide" response is considered negative if the bonus objective is not completed, thereby reducing the quality of the final perk. If one chooses to destroy Megaton during The Power of the Atom while the Survival Guide quest is active, the latter will not be affected at all, as Moira survives as a ghoul and continues to give quest updates as normal. The optional objective counts as complete towards the quality of the final reward perk. Moira will reward the Lone Wanderer with iguana bits if the player character completes the optional objective. snide." nothing yes tough "Well, it itches a little, but I can walk it off." End 7 yes sly "Oh, I feel fine! Never better! No problem at all! "Cha 7 yes Traversing a mine field Main Objective: Travel to the playground in the center of Minefield. If the optional objective is complete, the player character gets to keep the repellent stick. This option will also worsen the guide, eliminating the chance to get the Guru level perk. An alternative to swimming around the corner is to jump off the ship from the marketplace entrance and take a short swim to the underwater doorway. Moira wants the Lone Wanderer to test out her new mole rats. Trust me -- I'm an expert." Robotics Expert yes Arlington Public Library Main Objective: Access the card catalog at the Arlington Public Library. "time negative sly "The place was a death trap. So as not to upset her data gathering, she would prefer this to be done without killing any of them. No big deal." End 7 yes sly "Fast hands and faster wits can get you an awful lot. I was just that good. I've had worse, but still not fun." nothing no tough "I can barely feel it. Instead, they must return to the broken bow and access the terminal again. Special humorous dialog options appear when taking this quest, if the Lone Wanderer to retrieve library data from the Arlington Library. I'm a good enough doctor to explain this part for you." Medicine no smart "Pain's an abstract. (Optional)56 Return to Moira.60 Become seriously injuries upon completion. Snide replies are always available and produce a clearly cynical book, albeit one that is snappy and amusing. This guide is also included as a booklet with at least some of the retail versions of the game. The mainframe is on the very top level. Note that this will automatically count as a "smart" response. If the player character tries to engage Pinkerton in conversation about Rivet City's history before talking to Belle, Pinkerton will claim to have been one of the founders without giving proof of it to the Lone Wanderer, this will not complete the optional part of the quest. Optional Objective: Hack the RobCo production facility mainframe. The Lone Wanderer is rewarded with 100 XP, a mini nuke (Moira comments how she planned to use it to dig a well, but it actually just made her nervous), a copy of The Wasteland Survival Guide and the Survival Expert perk. Looting it will fulfill the optional objective, but will also summon several more raiders. Moira will reward the Lone Wanderer with frag grenades upon completed the optional objective. There is a first aid box labeled "Pharmacy Supplies" in the back room (next to the mini nuke and protectron), in the left-hand corner of the store. Find food at the Super-Duper Mart. I stay focused on the definable things, like survival." Int 7 yes snide "My only solace is thinking about inflicting this pain on people like you." nothing yes standard "The adrenaline helps. Can I get it in bullet form? So let's just say I set the whole place up." Cha 7 negative snide "I guess I heard one story that was plausible enough. But I caused it, so it was the okay sort of carnage." nothing yes standard "Once I adjusted their programming, the robots were no problem." nothing yes tough "I just hacked the mainframe so the robots would be a challenge." Str 7 yes smart "I could just write that section for you. The result was rather explosive." Int 7 no sly "Well, at least it's non-lethal for people. It can range from being a joke book to a necessity. The effects of this style increase Critical Hit Chance, likely from trying to find more creative and sadistic ways to hack and blast things into a fine red mist. She is to be found at the ruins of Megaton initially, but will then move to Underworld after the first conversation with her. Behind the scenes The Wasteland Survival Guide was the name of the hint and walkthrough book for the game Wasteland, considered the inspiration for the first Fallout game. Stimpaks vs Level 1 4 8 12 16 Stimpaks 3 4 5 6 7 Chapter 2 of the many dangerous creatures that are known to inhabit the wastelands, and also how to handle injuries. The number of optional objectives completed not only affects the benefits gained but the overall usefulness of the guide. A well-made (all options completed) book will increase the player character's overall survival skills versus a standard (some to no options) book and becomes its own unique perk rather than a simple overall bonus. Even if Bannon has not been spoken to, using his terminal is enough to finish the quest, though one must get the password for it from Pinkerton. So no struggle for leadership." Str 7 yes sly "They seem mostly independent. Can you make one that works on people?" nothing no nothing "I tested it out, and it works just fine. Just jump up and down on it. Most will point the Lone Wanderer in the right direction, however. The following encounters can occur depending on the perk obtained at the end of the quest: Junior Survivor: One will find a poorly armed wastelander fighting a mole rat. One can also lie to Moira to skip portions of the quest, which negatively affects the outcome. For other uses of the term, see Wasteland Survival Guide. This allows her to repair up to 72% condition, as long as she wears the repairman jumpsuit. If Moira dies, when the player character approaches Megaton, a message will appear saying "Moira Brown has been killed and the Wasteland Survival Guide will never be written." At the same time, a quest message will appear announcing that the quest has been failed. Pinkerton's living space is on the upper level, accessed through a staircase past the mirelurks. She then moves on to the Underworld, where the Survival Guide quest is still able to be completed, and a copy of the book is able to be obtained afterward. Pretty straightforward." Str 7 no sly "Make the right connection, and robots do what you want. With a Medicine skill of 70+, the player character is considered "a good enough doctor to just explain" about injuries, and receive credit for the quest but not the optional objective. Though each chapter is generally a unique quest, they all share common attributes for their rewards. Note that this is a "smart" response. Toggling any of the three completes the optional

Call Girls in Delhi, Call Aditi @ 8512012979 for Call Girls in Delhi, provides the best Call Girls in Delhi (Call Girls in Delhi) and have a collection of hot, sexy high profile class independent young teen, escorts and call girl whatsapp no.. Best Free Elementor WordPress Themes 2021 Optimized Mobile WooCommerce Theme. ... Your website will be displayed perfect on desktop, tablet and mobile devices. ... Full Guide. Fallout is a 1997 roleplaying video game developed and published by Interplay Productions. The game features a post-apocalyptic and chiefly retro-futuristic setting, taking place in the mid-22nd century decades after a global nuclear war. The protagonist of Fallout is an inhabitant of a Vault, part of a network of long-term nuclear shelters, who is forced to venture out into the wastes to ...
